

emission levels; and, (2) the requirements of § 85.1407 for a notification of intent to certify, including whether the data provided by Cummins complies with the life cycle cost requirements.

The Agency requests that those commenting also consider these regulatory requirements, plus provide comments on any experience or knowledge concerning: (a) problems with installing, maintaining, and/or using the candidate equipment on applicable engines; and, (b) whether the equipment is compatible with affected vehicles.

The date of this notice initiates a 45-day period during which the Agency will accept written comments relevant to whether or not the equipment described in the Cummins notification of intent to certify should be certified pursuant to the urban bus retrofit/rebuild regulations. Interested parties are encouraged to review the notification of intent to certify and provide comment during the 45-day period. Please send separate copies of your comments to each of the above two addresses.

The Agency will review this notification of intent to certify, along with comments received from interested parties, and attempt to resolve or clarify issues as necessary. During the review process, the Agency may add additional documents to the docket as a result of the review process. These documents will also be available for public review and comment within the 45-day period.

Open Meetings on Alternative Approaches To Fund Water and Wastewater Projects on July 19, 1995

The Environmental Protection Agency's Office of Water will hold an open meeting to discuss alternative sources for clean water project funding on July 19, 1995. The meeting will be held at the Airlie Center in Warrenton, Virginia from 8:00 a.m. until 5:00 p.m.

This meeting is being held to allow stakeholders to share their views in support of a Congressional requirement to conduct a study of alternative sources for clean water project funding. Congress provided \$250,000 in EPA's FY 1995 Appropriations Bill for this study. The study is being conducted by the Office of Water with assistance from the Environmental Finance Center at Syracuse University.

Participants at the meeting will be encouraged to provide their views on a number of different alternatives for funding clean water projects, including water and wastewater projects. Participants will be asked to examine possible sources of funding, delivery mechanisms for this funding, and eligible categories for funding, along with other related issues.

All interested parties who wish to speak at the meeting should contact Ronda Garlow in the Environmental Finance Center at Syracuse University at (315) 443-5612. Those who wish to speak at the meeting are encouraged to notify Ms. Garlow in advance. Ten minutes will be available for each presentation.

All other inquiries concerning the meeting should be directed to Mr. James Smith at (202) 371-9770.

Dated: June 14, 1995.

Michael B. Cook,

Director, Office of Wastewater Management.
